

LAUNCH YOUR SAVINGS

WITH PROPANE, THE INCENTIVE IS JUST THE BEGINNING.

While traditional mowers may save you money upfront, propane mowers save money over the lifetime of the mower, thanks to the fuel's unique advantages:

CLOSED FUEL SYSTEM
REDUCES SPILLAGE

REDUCED FUEL SPILLS AND PILFERAGE

With its closed fuel system, propane saves money and protects the environment by virtually eliminating costly, harmful spills and by dramatically reducing fuel theft.

MEET YOUR NEEDS

REDUCED LABOR EXPENSES

With propane, there's no more wasting time with trips to the gas station. Convenient, on-site refueling options, like cylinder exchange and on-site dispensing, ensure your crew spends more time doing the jobs that pay.

MORE GREEN-MINDED CUSTOMERS

Propane reduces harmful carbon emissions compared with conventional fuels, giving you an edge when bidding jobs with environmentally conscious clients.

REDUCED FUEL COSTS

Lock in a fuel contract with a local provider to enjoy a fuel price that's consistently less than gasoline. Then you can pass on those savings to customers for a more competitive price during the bidding process.

"All of us have a responsibility to leave something better behind after we're done. At the end of the day, if there's something I can do to improve the planet, I'd like to be able to do that."

Jeff Sebert
Owner, Sebert Landscaping

"These mowers are a lot more powerful, so productivity has definitely increased."

Grant Clack
Operations Manager, Stay Green Inc.

"We have a lot of ride-on mowers, so I wanted to get something similar that the guys would be used to, but try it with propane. Some of the incentives are going to help us do that."

Charles Reid
Co-owner, Sodfather, Inc.
